PRESERVED BLOOMS	Any of my arrangements can be made with preserved blooms however they do tend to attract a higher cost. However as with all my work, I can work within your budget so please don't be afraid to discuss your needs and budget.
CUSTOM BUDGET	I have a minimum spend of \$100 on most items. The only exception would most likely be a buttonhole or bottle blooms. I will always do my best to work with you to meet your budget requirements, however sometimes desires don't match budgets. I make beautiful arrangements regardless of the products I am using. So PLEASE discuss your needs with me so we can work together to create your vision. My motto is <i>big bouquets and intimate events.</i>
CUSTOM ORDERS	If you require something that is not listed on my price list, please discuss it with me as creating custom work is my speciality and there are no limits as to what we can achieve together.
DELIVERY	See Delivery Prices per Suburb and Special Requests in my Linktree or on my website. One delivery attempt is made. If a second attempt is required, a second delivery fee will be invoiced.
ORDER NOTICE	For general deliveries I require 2 days' notice or at least the night before you need the flowers. For Corsages I require one weeks' notice, together with the colour of the dress and suit and your special requirements for colours and flowers and ribbons. Wedding orders require at least 6 weeks' notice if speciality flowers are required. If you are happy to work with seasonal blooms, then I will only require 1-2 weeks' notice depending on my workload. Funeral orders I will require 3-4 days' notice depending on my workload.
